

965-120N
Bunching Table

W24 D24 H22 in.

White Fossil Stone Top
Iron base with Nickel Leaf finish

The interest in bunching tables has resurfaced as a functional answer for the cocktail table where a single serves the small settee and two or more are added for sectional and grand sofa use. Hammered iron in a Nickel Leaf finish with a white mosaic fossil stone top.

Note: Also Available in a Gold Leaf finish #965-120G.
