

224-850
North Shore Cocktail Table

W44 D44 H17
Ash Solids and Quartered Ash Veneers
Beveled Glass
No Distressing.
Custom Finish Shown: **#C3 Malabar**

This large square North Shore Cocktail Table is constructed of ash solids and quartered ash veneers offering great surface area with its inset glass top and wood shelf below.
Though large in scale, the table remains airy with the clear beveled glass adding surface area but not apparent weight.
