

233-930
Julian End Table

Diameter 24 H24 in.
Maple Solids with Maple Veneers
Metal Frame in Roman Gold Finish

Rounding out the Julian Collection of tables is this 24 inch diameter side table. Same shaped metal base, in the handsome Roman Gold finish that seems to work with any wood finish used on the maple top and lower shelf. The wood can be finished in any of our custom finishes as well as Color Match.

Custom Finish Shown: **#A2 Modern Elm**
