

241-460
Park Shore Credenza

W88 D20 H37 in.

Maple Solids and Maple Veneers
No Distressing

If large scale and tremendous storage are your need, the Park Shore Credenza might just be the answer. 88 inches long with a 20-inch depth offers lots of inner space with four doors and an adjustable shelf behind each. The design detail built into the case provides design opportunity for custom finish combinations or contrast striping with brushed nickel or brass hardware choice.
Available in any custom finish or combination of finishes.

Custom Finish Shown: **#P6 Sandstone**
